

# AIR FORCE SCHOOL PANCHWATI

THE BUZZ SERIES 3.4 JAN-MAR 2023-24  
SECONDARY NEWSLETTER

## Cyber Security Quiz

An inter-house cyber security quiz was organized in the month of January. Total of 4 teams participated and each team comprised of 6 participants. After a very close contest Cheetah house won the first prize and Dhruv and Sukhoi house got the runner up positions.

## Button Stitching Activity

Introducing button stitching activity fosters a sense of accomplishment and self-reliance among students. Through this activity they can learn the fundamentals of sewing and buttoning, essential life skills that promote independence.

## Republic Day Celebration

The school celebrated 75th Republic day with joy and fervor. The event began with unfurling of the National Flag by AOC 13 BRD followed by National Anthem. The students presented a bouquet of cultural activities displaying India's unity in diversity. The celebration serves as an educational platform to instill in students a deep sense of respect for the country's democratic values and principles.

## Adieu to Class X

Tenth class farewell is an emotional yet celebratory event which mark end of an important chapter of students lives. As they prepare to embark a new academic and personal journeys. It is a time filled with mixed emotions - excitement for the opportunities that lies ahead, nostalgia for the memories made during the time.

## Road Safety Month

The road safety month was organized in the school with the aim of instilling awareness and promoting responsible behavior among students regarding road safety practice.

Different activities were organized to emphasize the importance of obeying traffic rules, pedestrian safety and the dangers of reckless driving.

## Basant Panchami Celebration

The festival of Basant Panchami commemorating the worship of Goddess Saraswati proclaimed as the Goddess of knowledge, wisdom and arts. was celebrated on 14th February. The campus decorated in vibrant yellow, the personifying color of basant. The program started with Saraswati Vandana followed by a small cultural program.

## Sandwich Making Activity

The sandwich making activity was used to teach skills such as following instructions, teamwork, creativity, and fine motor skills. This exercise encourages communication and collaboration among team members as they discuss and decide on the ingredients and assembly process. By engaging in hands-on food preparation, participants also gain a deeper understanding of nutrition and healthy eating habits. Overall, the sandwich making exercise is not only a fun and engaging activity but also a valuable learning experience that teaches important life skills.
