

GENERAL RULE FOR SCHOOL

Here are some rules for schools that can help ensure a positive and effective learning environment:

Respect for Others: Treat teachers, staff, and fellow students with kindness and respect at all times. Use polite language and be considerate of others' feelings.

Punctuality: Arrive on time for school, classes, and all scheduled activities. This shows responsibility and ensures that learning is not disrupted.

Dress Code: Follow the school's dress code or uniform policy. Ensure that clothing is appropriate for the school environment and does not distract from learning.

Active Participation: Engage in class discussions, complete assignments, and participate in activities. Active learning helps you succeed academically.

Academic Integrity: Always do your own work and avoid cheating or plagiarism. Honesty is essential for personal growth and academic success.

Responsibility: Take responsibility for your actions, assignments, and behaviour. Keep track of homework, projects, and deadlines.

Safety: Follow safety rules and guidelines both in and out of the classroom. Report any hazards or concerns to teachers or staff immediately.

Cleanliness: Maintain cleanliness in classrooms, hallways, and common areas. Dispose of trash properly and respect shared spaces.

Respect for Property: Take care of school property, including textbooks, furniture, and equipment. Do not vandalize or damage property.

Positive Attitude: Approach school with a positive and open-minded attitude. Embrace challenges, ask questions, and be willing to learn.

These rules create a safe and supportive environment for both students and staff.
