WHY CYBER SAFETY MATTERS

The internet is a great place to learn, connect and grow. But there are risks too! Cyber criminals may try to steal your information, harass you online or trick you. Stay alert and protect yourself and others.

COMMON ONLINE THREATS

- Phishing (fake links, emails, messages)
- Cyberbullying and online harassment
- Identity theft
- Online fraud and scams
- Malicious websites and downloads

FOLLOW THESE 8 CYBER SAFETY TIPS

01

USE STRONG PASSWORDS

Create strong, unique passwords with a mix of letters, numbers and symbols. Do not share your passwords with anyone.

02

THINK BEFORE YOU CLICK

Do not click on links or open attachments from unknown senders. They may be fake or harmful.

03

PROTECT YOUR INFORMATION

Never share personal details like your address, phone number, school, passwords, OTPs or bank details online.

04

BE CAREFUL ON SOCIAL MEDIA

Accept friend requests only from people you know. Do not share personal photos or information.

05

BE RESPECTFUL ONLINE

Do not bully, troll or spread rumours. Be kind and respectful. Remember, your words can hurt others.

06

DOWNLOAD SAFELY

Download apps, games and files only from official and trusted websites or app stores. Avoid illegal downloads.

07

KEEP YOUR DEVICES SECURE

Use updated antivirus, keep your operating systems updated and lock your devices when not in use.

08

REPORT AND SEEK HELP

If you see something suspicious or face any online abuse or scam, report it immediately and seek help from a trusted adult.
